
3-month Environmental & Community Stewardship Positions Available!

Service Description: [Green Iowa AmeriCorps](#) operates through the [University of Northern Iowa's Center for Energy and Environmental Education](#) (UNI CEEE) in Cedar Falls. The program is looking to recruit passionate and motivated individuals for a three-month service experience at one of our 20+ [service locations](#) throughout Iowa. As a member of our new and existing programs sites, you will have the opportunity to create plans in conjunction with city officials, nonprofit leaders and school districts, and execute projects that will greatly impact the communities we serve. Our summer program is perfect for individuals seeking temporary summer employment and/or to fulfill an internship requirement. The leadership and empowerment experienced as part of our program will be like no other!

Our mission is empowering Iowa's communities and school districts to make more environmental, conservation-minded decisions and improvements through direct service work, environmental education, professional development opportunities, and volunteer engagement. Green Iowa AmeriCorps consists of three branches: Energy & Community, Sustainable Schools and Land & Water Stewards. Each branch of our program will provide AmeriCorps members with the unique opportunity to enhance their professional development goals, cultivate community-wide relationships, and work toward making Iowa a more sustainable, ECO-nomic state. A full list of our locations can be found [on our website](#).

- [Energy & Community](#)- members serve in a team-based setting providing residential energy efficiency services to underserved populations, conducting environmental education, and engaging in community service projects.
- [Sustainable Schools](#) - members serve Iowa school districts, solid waste agencies, community colleges and city governments as sustainability coordinators to reduce energy and waste, support teachers and students in environment education efforts, and create project-based learning opportunities.
- [Land & Water Stewards](#)- members serve with local nonprofits, conservation departments, and other community organizations to assist with creating environmental education and community programming related to healthy water and land stewardship in conjunction with many local and state partners.
